Notes to Editors:

* Breast Cancer Haven is the only charity in the UK that provides the breadth and depth of complementary therapies and emotional support through free individualised programmes of care offered in its Havens or through its outreach programme, Breast Cancer Haven at Home.

* Breast Cancer Haven works alongside the NHS, sharing relevant information, to ensure an integrated approach to breast cancer care.

*The charity was founded in 1997 and currently has Havens in London, Hereford and Leeds.
